

# Play England's Manifesto for children's play

Play England has launched a Manifesto for children's play and is calling for policy makers to make play a priority by adopting **three simple pledges**:

- 1.To make all residential neighbourhoods child-friendly places where children can play outside
- 2.To give all children the time and opportunity to play throughout childhood
- 3.To give all children somewhere to play – in freedom and safety – after school and in the holidays

Whether you're an individual, organisation, MP or councillor, **sign up to endorse the manifesto now** so that all children and young people can have the freedom and space to play enjoyed by previous generations.
